On January 12, 2006, Judge Spero recorded the settlement of eleven of the twelve plaintiffs in this litigation. The remaining plaintiff, Narda Gillespie, was unreachable but is expected to return to the area tomorrow. The parties wish to pursue settlement discussions with Gillespie when she returns and jointly request that the current January 13, 2006 summary judgment hearing date be continued for one week, to January 20, 2006. The parties also jointly request that the deposition of plaintiffs' proffered expert, Peter Morrison, be continued and conducted within one week of the continued summary judgment hearing date. Plaintiff's counsel, Patrick Manshardt, is currently en route back to Los Angeles (and is unable to sign this stipulation) but has agreed to the terms of the stipulation and has authorized Deputy City Attorney Michael J. Leon Guerrero to sign the stipulation on his behalf.

Accordingly, IT IS HEREBY STIPULATED AND AGREED by and between the parties as follows:

The parties agree to continue the current January 13, 2006 summary judgment hearing date to January 20, 2006. The parties further agree that Peter Morrison's deposition will take place within one week of the new January 20, 2006 summary judgment hearing date.
